DR. AND MRS. WAIGHTS G. HENRY, JR.

LaGrange College

LAGRANGE, GEORGIA

WAIGHTS G. HENRY, JR.
PRESIDENT

Dear Class of 1958:

This Geophysical Year has been acclaimed by some as the greatest yet in the annals of man, because in it he has launched earth satellites -- a first step in space travel. Still others jibe that we are premature in the aspiration to visit other planets when we haven't yet learned how to behave on this one.

The man who best sets the pattern of how to live in two worlds at the same time is Jesus Christ. He brought heaven to earth. He taught and demonstrated the virtue and necessity of complete good will, the privacy of love, reverence for life, enmity against evil, and true worship of God.

Observing these man is fit to fly with angels. Scorning these the space rider will be at best a witch on a broom stick.

Our wish for you is that your lives will give testimony to the relevance of a gospel of dignity and poise in an age of hurried confusion and things half done.

Affectionately yours,

Wrights G. Henry, Jr.

THE L. C. STUDENT'S CREED

Life is mine to live. That I may cherish it
 And right royally meet its responsibilities,
 I would lay aside that which is
 Narrow, selfish, ignoble, and unkind;
 The false, superficial, the dishonest
 I would shun in thought, word, and deed.
 Rather may I cultivate in my college life
 Those traits and ideals that will fit me
 To weave dreams into realities, and impressions into
 character,
 To meet bravely the hard tasks of life,
 To bring joy to those who falter in their tasks.
 I would strive to judge more kindly,
 Trust more fully, and love more deeply,
 That my life may reflect His goodness,
 And my soul may grow in the knowledge
 Of Him, whom to know is life eternal.
